

Child Neglecting in Somalia

Introduction

Child neglect has been long-lasting effects on children's physical, emotional, and psychological well-being. It hinders their overall development, diminishes potentiality, and perpetuates cycles of violence and trauma. It's addressing is crucial for the well-being and future of Somalia's children.

Somalia, with its unique socio-political context and ongoing challenges like poverty, conflict, and displacement, requires special attention in combating child neglect. Thus, our aim is to raise awareness among individuals, communities, and policymakers to protection the children's rights.

Forms of Child Neglect

- ✚ Physical and Emotional Neglect
- ✚ Sexual Neglect
- ✚ Educational Neglect

Causes and Risk Factors

- ✚ Conflict and Poverty
- ✚ Displacement
- ✚ Cultural and norms
- ✚ Lack of awareness

Prevention and Intervention

- ✚ Community awareness campaigns
- ✚ Strengthening child protection systems
- ✚ Providing support services, and
- ✚ Promoting child rights.

Conclusion:

Somalia's child neglecting can be addressed by raising awareness, promoting collaboration, and advocating for the rights and protection of children, we can together create a safer and more nurturing environment for the children.

Every child deserves to grow up in a loving and supportive environment.
